- Trail Name**
- Bethel Rock Trail
 - Fire Trail
 - Loop Trail
 - Tower Trail
 - Unmarked Trail

Oreanug is the Native American Name for the trap rock cliffs. The two stone pillars at the fire trail entrance are made of 50 stones, each one being from a different state. During the settlement of Woodbury, Bethel Rock was an outdoor chapel where the Town's people went to worship on Sunday. For more history of the park, please go to the Town Hall or Library.

For planning purposes only. Delineations may not be exact.
